About Us

Marathon Plants is a genuine family business located in Marathon, Greece. In the last 30 years, the company has grown from a small local nursery into a breeder and supplier of propagation material worldwide. Staying loyal to high-quality, innovative, and value-for-money products, the company created a strong portfolio with Anigozanthos, Aloe, and other Australian species.

**Sustainable, water-wise succulents
that bloom during Autumn and Winter**

A map of Australia showing its states and territories: Northern Territory, Western Australia, South Australia, Queensland, New South Wales, Victoria, and Tasmania. Major cities like Darwin, Alice Springs, Adelaide, Melbourne, and Sydney are marked. The map also shows the Indian Ocean, Timor Sea, Gulf of Carpentaria, and Great Australian Bight. The text 'Australian Natives Collection' is prominently displayed in the center of the map.
